ACKNOWLEDGEMENT

The successful completion of this project would not have been possible without the constant support and guidance of many individuals. First and foremost, I thank Software Developers across the globe building amazing open source projects such as Flutter, React, etc. that became the foundation of this project. I am highly indebted to my institution, Mary Matha Arts and Science College, Mananthavady for providing me with the necessary facilities to work on this project. I would like to extend my sincere gratitude to Dr. Maria Martin Joseph, the principal, and Ms. Jisha T E, Head of Department, PG and Research Department of Computer Science, for their constant support. I would also like to thank my guide Mr. Sabu O J, for the valuable guidance throughout this project work. I also thank the Management and the staff of Mary Matha Arts and Science College, Mananthavady for providing me with an opportunity to do the project work. Last, but perhaps most important, I thank my parents, family members, and friends for their love and continuous support without which this work would never have been done.
